Electro Automation Group is widely regarded as Ireland's premier automation and security specialist. Formed in Dublin in 1984, **Electro Automation** has since provided an enviable combination of quality equipment supported by exceptional technical after sales and maintenance service.

With our Head Office in Dublin and branches in Lisburn, UK and Germany, **Electro Automation** has consolidated its core product range and in addition has made strategic decisions to add several specialist manufacturing/niche market companies. We offer a combination of products, sales knowledge, installation and technical support that is unparalleled, and provide a 24 hour 7 day a week maintenance support service.

Our success is based on pride in our technical competence and the practice of our belief that exceeding customer expectations is our key aim.
